USDA ANNOUNCES FUNDING

(Bono Volunteer Fire Department to Receive \$100,000 Loan)

Cleburne, Texas, October 17, 2002--Bryan Daniel, Texas State Director, USDA Rural Development announced that Bono Volunteer Fire Department has received a \$100,000 loan through the agency's Community Facilities loan program. The effort is part of USDA's national program to help rural areas build and enhance essential community facilities.

"USDA Rural Development's Community Facilities program helps rural communities keep pace with the needs of their rising populations," said Daniel. "Rural residents can utilize our programs to help provide essential public services that will enhance the quality of life for all rural residents."

The funds will be used to purchase a new fire truck. This truck will replace the damaged truck and provide Bono Fire District and the citizens of Johnson County with needed fire protection. Bono Volunteer Fire Department serves approximately 12,000 people in the Johnson County area.

In Fiscal Year 2001, a total of \$6.3 million in direct and guaranteed loans were obligated. Community Facilities loan funds may be used to construct, enlarge or improve community facilities for health care, public safety, and public services. These loans and grants are made to public entities and non-profit organizations. Examples of eligible projects include rural
